

**DECLARATION OF ESTABLISHMENT
ASOSIASI PENDIDIKAN HUKUM KLINIS INDONESIA (APHKI)**

Clinical legal education is a learning method widely adopted law in legal education in various countries, to educate and prepare legal practitioners are competent, professional and committed to justice. Through methods of clinical legal education, law students learn about practical knowledge, skills, and values to provide a service to the community based on the values of social justice.

To improve the quality of law graduates, and in order to improve access to justice for people, it would require a serious effort, well-planned, and involving a wide network to adopt and implement the methods of clinical legal education in universities in Indonesia

Therefore, we are of the institution and unit within the higher education institutions that is committed to develop clinical legal education programs in Indonesia, hereby declare the establishment;

The Clinical Legal Education Association of Indonesia (CLEAI)
